Tigers Claw Their Way To The Top For State Title

Our past season has been one of joy, good memories, and pain shared by all. As everyone knows, a state championship title means a lot to every player on the team, and the coach. We worked hard together, a dream which is now a past reality, but a wonderful memory.

— Mike Faler

As long as I live, the glow and warmth of this championship will be with me. When I think about all the good class "A" teams throughout the state this year, I really feel humble, but thankful, that our whole community had the chance to experience something so nice. I love you Jackson Center.

— Coach Jerry Harmon

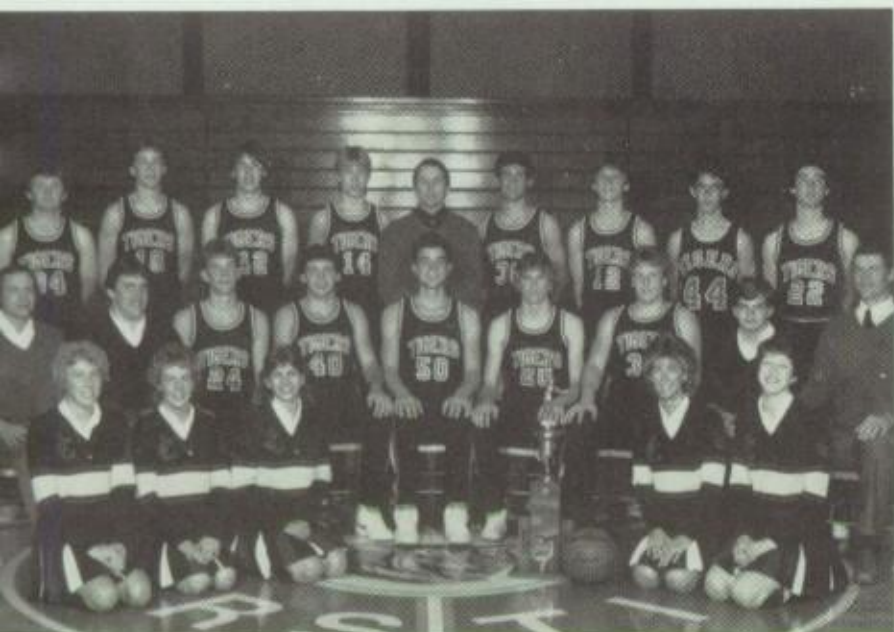

This season was all I could have ever wanted and even more. I wouldn't trade my friendships with my teammates for anything in the world. This year will live in my memory forever.

— Brian Woodruff

To one ^{of my best,} if not the best
friend. I've ever had. We've
had good times and bad. I hope
that you forgot the bad (LORD
KNOWS THERE'S BEEN MANY) and remember
only the good. I pray that in
the years to come we can
become better friends and
have lots of fun together.
Well Good Luck in the future
with all your attempts.

RULES!

Amey,

To one of my best friends. I'm so glad we've become
as close as we are. I wouldn't want nothing to change that
even in the future. If we get older and go our separate ways
Always remember I'm here if you need to talk. I hope
nothing will ever ruin our friendship. You are very special
to me. And I've really come to know that if I ever had
anything bothering me I could rely on you to never tell anyone.
I hope we will share many good times together. Forget the
bad times we've experienced. There in the past now. We are to
look into the future and get the best out of it. I only wish
you the best in everything you attempt. May you find that
someone special someday to share all your wildest fantasies
with. Don't let that one bring you down. Chase all your dreams
and don't let no one stand in your way! May God Bless you
your whole life through!!
